YOUR TICKET TO THE WORLD

It's boom time in the global maritime transport industry. A qualification from AMC will set you up for a top job earning big money.

Located in Launceston, a thriving regional city with low living costs, AMC has integrated with the University of Tasmania to become a specialist institute.

Our courses are tailored to service the maritime transport industry and our graduate employment rate approaches 100%. We are ranked in the top ten maritime education institutions in the world.

AMC is your ticket to the world.

DIPLOMA OF MARITIME LOGISTICS AND MANAGEMENT

The Diploma of Maritime and Logistics Management has been developed to provide maritime industry and logistics personnel with contemporary business expertise in areas related to management, administration and transport logistics.

Career Opportunities

This course prepares maritime transport industry personnel for careers in areas of logistics, ship management, commercial shipping, transport policy and administration, freight forwarding, exporting and importing.

Entry Requirements

Satisfactory completion of Year 12 or equivalent experience. AMC will consider applications from people who seek admission on the basis of experience gained in industry or government. Students with English as a second language will need to have an IELTS score of 6.

Mode and Duration

The Diploma consists of 8 units, designed to be completed over 1 year of full-time study or 2 years distance study.

Study Pathways

As you complete one course, there are further learning opportunities available to you. For example, successful completion of the Diploma in Maritime and Logistics Management will give students exemption from 8 units in the Advanced Diploma of Maritime and Logistics Management.

ADVANCED DIPLOMA OF MARITIME AND LOGISTICS MANAGEMENT

The Advanced Diploma of Maritime and Logistics Management is a pathway for students who have successfully completed the Certificate and or Diploma in Maritime and Logistics Management, to continue their studies with new opportunities for upward career mobility.

Jill - Maritime and Logistics Management

'The course is informative and enriching, allowing me to broaden my knowledge of business practices.'

Successful completion of the Advanced Diploma of Maritime and Logistics Management will give exemptions from the equivalent of 1 1/2 years of full-time study for students wishing to progress to the Bachelor of Business (Maritime and Logistics Management) degree.

Career Opportunities

This course prepares maritime transport industry personnel for careers in areas of international trade, port and shipping administration, commercial shipping, transport policy and administration, freight forwarding, exporting and importing.

Entry Requirements

Satisfactory completion of Year 12 or equivalent experience. AMC will consider applications from people who seek admission on the basis of experience gained in industry or government. Students with English as a second language will need to have an IELTS score of 6.

Mode and Duration

The Advanced Diploma comprises 12 units. When taken by distance mode, the Advanced Diploma is designed to be completed over 2 or 3 years part-time study.

The course is also offered on campus and can be completed in 1 1/2 years of full-time study (4 units per semester).
