

INDEPENDENT AUDIT REPORT

To the Minister for Transport and Regional Services

Matters relating to the Electronic Presentation of the Audited Financial Statements

This audit report relates to the financial statements published in both the annual report and on the website of the Australian Maritime College and the consolidated entity for the year ended 31 December 2005. The members of the Council of the Australian Maritime College are responsible for the integrity of both the annual report and its website.

The audit report refers only to the financial statements, schedules and notes named below. It does not provide an opinion on any other information which may have been hyperlinked to/from the audited financial statements.

If the users of this report are concerned with the inherent risks arising from electronic data communications they are advised to refer to the hard copy of the audited financial statements in the Australian Maritime College's annual report.

Scope

The financial statements and directors' responsibility

The financial statements comprise:

- Statement by Council;
- Income Statement, Balance Sheet, Cash Flow Statement and Statement of Changes in Equity;
- Schedules of Commitments and Contingencies; and
- Notes to and forming part of the Financial Statements

of the Australian Maritime College and of the consolidated entity for the year ended 31 December 2005. The consolidated entity comprises both the Australian Maritime College and the entity it controlled during the year.

The members of the Council are responsible for preparing financial statements that give a true and fair view of the financial position and performance of the Australian Maritime College and the consolidated entity and that comply with the Finance Minister's Orders made under the *Commonwealth Authorities and Companies Act 1997* and with Australian

Accounting Standards. The members of the Council are also responsible for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial statements.

Audit Approach

I have conducted an independent audit of the financial statements in order to express an opinion on them to you. My audit has been conducted in accordance with the Australian National Audit Office Auditing Standards, which incorporate the Australian Auditing and Assurance Standards, in order to provide reasonable assurance as to whether the financial statements are free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive, rather than conclusive, evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

While the effectiveness of management's internal controls over financial reporting was considered when determining the nature and extent of audit procedures, the audit was not designed to provide assurance on internal controls.

I have performed procedures to assess whether, in all material respects, the financial statements present fairly, in accordance with the Finance Minister's Orders made under the *Commonwealth Authorities and Companies Act 1997* and Australian Accounting Standards and other mandatory financial reporting requirements, a view which is consistent with my understanding of the Australian Maritime College and consolidated entity's financial position and of their performance as represented by the results of their operations, changes in equity and cash flows.

The audit opinion is formed on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial statements; and
- assessing the appropriateness of the accounting policies and disclosures used, and the reasonableness of significant accounting estimates made by the members of the Council.

Independence

In conducting the audit, I have followed the independence requirements of the Australian National Audit Office, which incorporate the ethical requirements of the Australian accounting profession.

Audit Opinion

In my opinion, the financial statements of the Australian Maritime College and the consolidated entity:

- (a) have been prepared in accordance with the Finance Minister's Orders made under the *Commonwealth Authorities and Companies Act 1997*; and
- (b) give a true and fair view of the Australian Maritime College and the consolidated entity's financial position as at 31 December 2005 and of their performance for the year then ended, in accordance with:
 - (i) the matters required by the Finance Minister's Orders; and
 - (ii) applicable Accounting Standards in Australia and other mandatory financial reporting requirements in Australia.
