

Application for Replacement - Amateur Radio Operator's Certificate of Proficiency

Delegation/Release of Information to Third Party

The Australian Communications and Media Authority (ACMA) has, under subsection 122A (1) of the *Radiocommunications Act 1992* (Act), delegated the power to issue certificates of proficiency to the University of Tasmania (UTAS). The Australia Maritime College (AMC), an institute of UTAS, provides the service for issuing certificates. *The Privacy Act 1988 (Cth)* (the Privacy Act) imposes obligations on the ACMA in relation to the collection, security, quality, access, use and disclosure of personal information. These obligations are detailed in the Australian Privacy Principles. As the delegate of the ACMA for the purpose of issuing amateur radio certificates of proficiency, these obligations also apply to AMC.

AMC may collect personal information if it is reasonably necessary for, or directly related to, one or more functions or activities as delegated by the ACMA. The purpose of the collection of the personal information in this application form is to issue you with a replacement/verification of an amateur radio certificate of proficiency. The AMC will not use the information for any other purpose, nor will we disclose it, unless we have your consent or we are otherwise permitted to do so under the Privacy Act. If you do not provide the information, we will be unable to process your application for a certificate of proficiency. Further information on the Privacy Act and the ACMA Privacy policy is available at www.acma.gov.au/privacypolicy. The UTAS privacy policy is available at www.utas.edu.au/privacy. The Privacy policy contains details about how you may access personal information about you that is held by the AMC, or seek the correction of such information. AMC contact details are located at the top of this form. It also explains how you may complain about a breach of the Privacy Act and how we will deal with such a complaint.
